

UMBRELLA Studio Downstairs

The Studio Downstairs is available for hire by Umbrella members for private use or to conduct workshops. The studio is also available for use by community groups and commercial hire.

The space is conveniently located in the city, near public transport with ample street parking, as well as access for deliveries. It is equipped with limited storage for art, sculpture and works on paper as well as amenities such as a toilet and a small kitchenette. Artist's resources include printing presses, an electric kiln two potter's wheels, 14 easels, some artist tools, work bench tops and track lighting.

For PERSONAL USE by Umbrella Members

Bookings and payments through Studio Coordinators

Non printmaking members with the competence to work by themselves and a proven familiarity with the studio safety procedures are eligible to access the studio facilities.

Printmaking members with a good knowledge of printmaking techniques, printmaking equipment and the competence to work by themselves and a proven familiarity with the studio safety procedures are eligible to access the Studio facilities. For the initial 2-3 sessions a member of the Umbrella Studio Access Group must be present. Lithography Press requires further supervision and training – ask Coordinators for details).

An orientation session is required for all members before access is given. These are to be carried out by the Studio Supervisor.
