

# Studio Downstairs Information

## Members

The Studio Downstairs is available for hire by Umbrella financial members, and groups.

This raw creative space is conveniently located in the city, near public transport with ample street parking, as well as access for deliveries. It is equipped with limited storage for art, sculpture and works on paper as well as amenities such as a toilet and a small kitchenette. Artist's resources include a lithography press, large and small etching/relief presses, an electric kiln, 14 easels, some artist tools, work bench tops, a 3D printer, and overhead lighting.

Umbrella Studio contemporary arts  
482 Flinders St, Townsville QLD 4810 | 07 4772 7109  
[office@umbrella.org.au](mailto:office@umbrella.org.au) | [www.umbrella.org.au](http://www.umbrella.org.au)

**Non printmaking members** with the competence to work by themselves and a proven familiarity with the studio safety procedures are eligible to access the studio facilities.

**Printmaking members** with a good knowledge of printmaking techniques, printmaking equipment and the competence to work by themselves and a proven familiarity with the studio safety procedures are eligible to access the Studio facilities. For the initial 2-3 sessions a member of the Umbrella Studio Access Group must be present. Lithography Press requires further supervision and training (ask Coordinators for details).

An orientation session is required for all members before access is given. These are to be carried out by the Studio Supervisor.
